

# Love One Another

by Kristin Conard

There's a mean girl  
who goes to my school.

I don't think she's  
heard of the  
Golden Rule.

She cuts right in  
front when we're in  
line for lunch,

Sometimes I see her  
shove, kick, and punch.

I don't really like her;  
she's not very nice.

But then I have to  
stop and think twice.

God made that girl  
and God loves her a lot.

So I'll try to love her,  
whether I want to or not!
